

Dear all,

It is our immense pleasure to announce the second [McGill SGI Transformative Business Law Academy](#) (TBLSA). Building on the success of last year's Academy and its theme of "Corporations, Finance and their Environments", TBLSA 2024 is [themed](#) "**Money Makes The (Overheating) World Go 'Round... Until It Doesn't**".

The Academy will take place **26-31 May 2024 at McGill University, Montréal**, and is jointly offered through the [McGill Business Law Platform](#) and the CIBC Office of Sustainable Finance which is part of the [McGill Desautels Sustainable Growth Initiative](#) (SGI).

We are inviting current students and recent graduates (2023 onwards) interested in participating in TBLSA 2024 as Fellows, to submit their applications by email to tblsa@mcgill.ca. The **deadline to apply is midnight, Sunday, 31 March 2024**, and other details are available on [our website](#).

Last year, the Academy welcomed students from law, management, economics, environmental studies, and anthropology, among others. And this year too, we are looking forward to bringing together Fellows from across different disciplines, and at all levels of education (undergraduate, master's, doctoral or recent graduates), to work under the guidance of Academy Faculty towards creating a policy paper. The [2023 Impact Paper](#) presented cutting-edge research and analyses, and the **2024 Impact Paper** is intended to similarly have a strong practical impact through its analysis of the master theme to offer policy recommendations.

If this is of interest to you, do consider joining us for the 2024 Transformative Business Law Summer Academy!

Thank you, and we are looking forward to hearing from you!

Warm regards,

TBLSA Coordinating Team
